GOSSIP BED

IT • Naturale declinazione dell'omonima poltrona, il letto Gossip ne eredita anche le principali caratteristiche: imbottiture generose e decise dotate di un'estetica originale.

Il disegno della testata rievoca la tecnica orientale degli origami, in cui l'abilità in lavorazioni complesse e raffinate si traduce in una forma semplice. Un connubio perfetto tra comfort e design: un prodotto informale ma con finiture raffinate e una chiara connotazione contemporanea.

EN • The natural follow-on from the armchair of the same name, the Gossip bed has inherited its key features: generous, bold padding creating an original look.

The design of the bed head is reminiscent of the oriental art of origami in which the skill in complex and sophisticated techniques are translated into a simple shape. The perfect combination of comfort and design for an informal bed, but with a sophisticated finish and a clear-cut, contemporary twist.

FR • Déclinaison naturelle du fauteuil portant le même nom, le lit Gossip en hérite aussi les principales caractéristiques: rembourrages généreux et prononcés dans une esthétique originale.

Le dessin de la tête rappelle la technique orientale des origamis où l'habileté du travail complexe et raffiné se traduit en une forme simple. Le mariage parfait entre confort et design: un produit informel mais avec des finitions raffinées et une connotation contemporaine définie.

D • Als natürliche Abwandlung des gleichnamigen Polstersessels enthält das Bett Gossip die wichtigsten Eigenschaften des Bettes: großzügige und entschlossene Polsterungen mit origineller Ästhetik.

Das Design des Kopfteils erinnert an die orientalische Origami-Technik, bei der sich komplexe und raffinierte Verarbeitungen in eine einfache Form verwandeln. Eine perfekte Verbindung zwischen Komfort und Design: Ein formloses Produkt, das dennoch über raffinierte Oberflächen und eine klare zeitgenössische Nebenbedeutung verfügt.
